News of the death of Simpson De Long S. E. Bowers, a stater-in-law of Mr. Simpson. He died Sunday night at 10 32. raiser living between Greenwich and Behton. He came into this country in 1871 city: and homesteaded. He was a poor man then but he had married sometime before a Miss May Wallace and together they conquered the prairie and today the | able that I will move it to either place. Just after he married Miss Wallace at Fort Scott and came west, he award hist ten or twelve hend of stock but it was

There is no medicine in the world so good for weak or delicate women as Hostetter's Stomach Bitters. It acts as a tonic and regulator, thereby curing Pain in the Back, Cramps, Vomiting, Nervous Headache, Insomnia, Dyspepsia and Indigestion. We urge all sickly women to try it.

how to work. Mr. De Long dled at the age of 65 years. He was an old soldier of very good standing. He took but little interest in politics and his friends are

those whom are truly friends and dear to

The death of his wife preceded his own several years. He leaves six children-Three of them were living with him. They are Lola, his daughter, and James and John, two sons. Edward De Long has been away to school but is on his way home now. Alva and William De Long are married and live within a few miles

of their father's residence The funeral will be held at Benton at o'clock this afternoon in the First M.

RACES ABOUT THURSDAY. Cresceus Will Stay a Week in Wichita if Necessary.

"It will be clear tomorrow," says the association, last evening.

"If necessary," continued Mr. Irwin, "we can keep Cresceus here until next 60 Odd Fellows had registered, which Tuesday. Mr. Ketcham, his owner, has Some time ago it was agreed by the is the largest registration ever made on no other engagement for his champion trotting horse until next week at Oklahoma City. I am satisfied, however, that we can have the races by Thursday, The rained before and it will not take the ground so long to dry. Before, we had the track harrowed. When the rain came it soaked in and made the ground one big mud hole. It is different now, The water will run off as fast as it falls and the track ought to be in good shape for races inside of one bright day after the fall ceases and the sun shines

"We have lots of horses here," Mr. Irwin continued. " and most of their owners have decided to stay until the weather improves. In addition to those already here, we had a telegram yesterday from horsemen, knying that they would not ship their racers until the climate is more favorable. They say then they will load and bring them here in time for the

PAVING OF ONE AVENUE SET BACK

Unplatted Right of Way Causes Trouble.

ON ROCK ISLAND AVENUE

Puts Cost on Property Owners on West Side.

The paving of Rock Island avenue has received a set-back. Moreover, it will not go forward again unless the Frisco

property owners on the west side of Rock Island avenue, an avenue running south in the middle of the block between the Rock Island and the St. Louis and San Francisco railroads, and the Frisco railroad that the avenue should be paved from the curb line on the west side of the thoroughfare to the property line or the east and from Douglas avenue south to Division street. It was further agreed that each party should pay for half of the regular street as provided by law and half the Frisco parking, which would be a part of the street

After this matter was all arranged, the ordinance passed and even bids adver. De Deco tised for, it was discovered that the right | which is called Meade avenue, has never been platted, which fact has set the mat-

ter of paving askew The law provides that the cost of pay-Ing a street shall be assessed to the property owners on each side of the street t be paved, on property abulting as fur back as the centre of the block. But Three Hundred Wichitans Went to further, it provides that properly that is not platted and is not abutting the street to be paved shall not be assessed for any the city attorney, Earl Blake, has found these things and this is the result: The property on the east side of the avenue block, or seventy-five feet back from west side of the street should be assessed back to the centre of the block, which right of way of the Rock Island rallroad. the block in this case being between Rock Island avenue on the east and on the west Tremont or Santa Fe avenue, there last named has ever been platted; but since the law says unplatted property not abutting the street to be paved shall ma City didn't expect such a big crowd not be assessed, the property running of visitors, but it took care of all and back as far as the platted ground or as every one who made the trip reports a near to the centre of the block as can fine time. The Oklahoma City band furben ascertained, must be assessed. The distance in this case is 150 feet. So, as Although numerous entertainments had this is twice the extent of property as

It is believed that the Frisco railroad them. It is just that they should pay so Oklahoma City is said to have a good much according to the property owners baseball aggregation, but the players opposite and there is little doubt but what made the concession of agreeing to pay for half that road's parking will have
